SALT LAKE KID SCORES KNOCK OUT

MORMON LAD ADMINISTERS A WALLOP TO JOLETT MAN IN SECOND ROUND.

The Salt Lake Kid, who has an abundance of haymakers at his command, administered the wallop to Kid Lawrence of Joliet in the second round of a five-round scheduled bout at the Big Casino last evening. The Mormon lad came out of the wilderness as it were, unheralded and unknown, but his speedy foot work, excellent generalship and clever boxing soon won a home among the 500 or more fight fans that witnessed his debut in the arena. The Kid is credited with being a mangle worker at the laundry and the way he worked his mangle on the nut of the Joliet Kid demonstrated that he is entitled to travel in faster company. The Mormons are great believers in revelations and this certainly was a revelation to the onlookers. Manager Steadman is somewhat of a promoter himself and bouts of this kind are certain to attract a large crowd.

The Salt Lake Kid immediately took on a match with Miner Odell, and this will take place Monday night at the Big Casino. This will be a scrap that will be well worth seeing.

MUSTAIN PITTED AGAINST WOODS

TWENTY-ROUND GO WILL BE PULLED OFF ON LABOR DAY.

Tonopah is fast becoming a fight center. The next card put up by the Casino Athletic club is likely to be on Labor day, when Terry Mustain, the Tonopah boy who recently gained a decision over Joe Willis in a fight in which Mustain broke his hand, and Billy Woods of Goldfield will meet at the big arena in a twenty-round go. Both men are well known in southern Nevada and the fight should be class "A." Articles of agreement have been drawn and it is expected that the participants will sign up today and the forfeit money posted. In the articles of agreement it is stated that Mustain be allowed to wear a kid glove on his injured hand. This was kicked against by Woods, but Manager Miller would not recede as Mustain's hand is not entirely well yet. They will fight at catch weights and straight Marquis of Queensbury rules will prevail.

FIRST SHIPMENT GOES OUT TODAY

J. V. Priest of the Mogul Mining company at Ray was in town yesterday and reports that the company will make its first ore shipment this morning. The shipment consists of a carload of ore. The values of this shipment will average over \$50 a ton, but Mr. Priest stated that the following shipment will exceed this in value.

RIOTS CAUSE OF SUICIDE.
ESKRIDGE, Kas., Aug. 21.—Grieving and worrying over the result of the Springfield riots caused Plato Brakehill, a respectable negro resident of this place, to commit suicide last evening at Alma by swallowing carbolic acid. He had discussed the matter frequently of late, and a search of his pockets after death showed a number of riot clippings. He leaves a family here.

DO YOU KNOW

That from October 1st, 1907, to June 1st, 1908, a period in which occurred the greatest financial disturbance experienced in the United States in fifty years, not one National Bank in Nevada, California, Idaho, Montana, Oregon, or Washington, was forced out of business by the stringency.

Is not a bank financially strong and sufficiently resourceful to have escaped the extreme effects of the panic of last fall worthy of your confidence?

Why not open an account with the "National."

IS A CANDIDATE FOR COMMISSIONER

JOHN CLENDENNING, THE WELL-KNOWN BUSINESS MAN, IS BEING PUT FORWARD.

John Clendenning after a great deal of reluctance on his part, but upon the urgent solicitation of many business men and tax payers irrespective of political belief, has decided to allow his name to be presented at the Nye county Democratic convention for the office of county commissioner, the long term. No man has a better knowledge of the needs of Nye county than John Clendenning. He is one of those men who are particularly adapted and fitted for the position of county commissioner. Himself a shrewd business man, he has come in contact with that class of people who are directly interested in the maintenance of a good county government. He has been a resident of Nevada for thirty-four years and has been a taxpayer all that time. For a great portion of this time he has been a stockman and rancher in Elko county. Upon arriving in Tonopah some five years ago he engaged in the livery and feed business. This is a case of the office seeking the man and not the man seeking the office, but if the convention sees fit to select Mr. Clendenning it will have on its ticket a man who is sure to be elected.

RICH STRIKE IN WHITE MOUNTAINS

Another rich strike has just been made on the Nickols property at Queen's station, Esmeralda county, Nevada. While doing assessment work ore was struck at twelve feet from the surface, from which assays ran as follows: No. 1, \$58.22 gold, 74 ounces silver; No. 2, \$187.62 gold, 53 ounces silver; No. 3, \$32.06 gold, 42 ounces silver.

Boarding and bunk houses are being built and as soon as finished this property will make a shipment. The company is incorporated and from a shipment of ore made last May of eight tons netted \$225 a ton clear profit. This property adjoins Stocking and Dennison's and the Queen Canyon Mining and Milling company. They have sold a half interest in the property to California people, who are now preparing to add three more stamps to their mill and install a cyanide plant. Several mining engineers have been examining this property and testing for the best method of handling the ore, which is mostly carbonate ore, and a cyanide plant has been advised. They have a large body of ore ready for treatment as soon as the plant is ready.

The old Indian Queen mine is also starting up again. Over \$6,000,000 was taken from this mine in early days and no work has been done below 300 feet.

JOHN G. BOOKER DIES AT RENO

WELL KNOWN CIVIL ENGINEER PASSES AWAY IN NORTHERN TOWN.

Word reached this city yesterday through a message to Ben Cottrell of the death of his brother-in-law, John G. Booker, who expired at Reno yesterday morning. The deceased was a pioneer in southern Nevada. No man was better known to the early people of Tonopah than Mr. Booker. He it was who surveyed the properties for the big company, the Midway and various other mines; also the town of Tonopah. He was a man who stood high in his profession, that of a civil engineer. He graduated from Napa Collegiate institute at Napa, California, with high honors. For a long time he was associated in business with S. K. Bradford, the firm being known as Booker and Bradford. He was aged about 48 years and leaves a wife and two children. At one time he was rated as being a man of considerable wealth.

No man stood higher in the estimation of mining men in this community than he. The funeral will take place at Reno on Sunday.

JURY TRIAL FOR LITTS.

The case of Litts charged with cruelty to animals which has been postponed several times will come up in the justice court this morning before a jury trial as the defendant has to be tried before a body of his peers.
